The screenshot displays the SmarterMail Enterprise 15.7 web interface. On the left is a dark sidebar with various icons, including a gear icon for settings. The main content area is divided into two panes. The left pane shows a 'Settings' menu with categories like 'My Settings', 'Filtering', 'Sharing', 'Advanced Settings', 'Domain Settings', and another 'Filtering' section. The 'Domain Settings' and 'Content Filtering' items are highlighted with red boxes and blue numbers 2 and 3 respectively. The right pane shows the 'Content Filtering [insight.co.th] 0' section with 'New', 'Edit', and 'Delete' buttons. A blue number 4 is written in the center of the right pane.
